On Saturday, June 12, there will be a Child Identification Program held at Eaton Chiropractic (next door to Acme Lodge No. 83) from 9:00am- 12:00pm. Dr. Eaton is having an Open House and has invited us to participate. The Indiana Freemasons' Child ID Program is the most comprehensive child identification program currently available to our communities. It helps concerned parents to promote the safety of their children by providing a fast, simple packet of information to help authorities identify and recover lost, missing or exploited children. Feel free to stop by and help us out. If you can't help with the program, that's okay; help us all by bringing a child.
