We have been registered with the state of Indiana since 1869, and our 2009 membership boasts more than 250 members. We built our new lodge building in 2000 after selling the old building in downtown Michigan City, which had been our home since 1921.

We are proud of our lodge building and its members. There is no smoking permitted behind its doors, so those who are sensitive to smoke can visit in complete comfort.
